Cristiano Rizzotto holds a bachelor's degree in piano performance from the Universidade Federal do Rio de Janeiro, where he studied piano and graduated magna cum laude in 2010. During 2009, he was an exchange student in the United States, sponsored by the Brazilian government's Ministry of Education.

He returned to the United States last year for a master's degree in sacred music/organ at East Carolina University, and has since begun playing for the First United Methodist Church in Washington, NC. One of his goals is to contribute to the resurrection and development of the organ culture in Brazil. While in the U.S., he hopes to develop his skills as a church musician and contribute to the American liturgical scenery.
